In 2004 we called upon the community to come to us and tell the real news stories the other newspapers refused to tell. Eleven years later ... LOOK WHAT YOU HAVE ACHIEVED!!

OUR VOICE IS YOUR VOICE: *The Valley Patriot welcomes letters to the editor on any topic. We also welcome column/article submissions from elected officials, neighborhood associations, community organizers and news makers. Our mission is to give readers the unique opportunity to receive important information from those who are driving important public issues without the "creative editing" policy employed by most newspapers. Submissions from guest columnists/writers in The Valley Patriot are published without the filtered agenda of an editorial board. If you would like to write a column, letter, or article for The Valley Patriot please e-mail us at: ValleyPatriot@aol.com*

BIG DECISIONS, LLC.

HELPING MAKE BIG DECISIONS...BETTER!

I Remember how they Laughed 11 Years and 137 Editions Ago

I REMEMBER SO WELL ...

I remember when the very first edition of The Valley Patriot was delivered to my office in Lawrence City Hall back in 2004. I had never seen anything like it. It was a breath of fresh air for free speech in the Lawrence area! Tom, you and your team have come a long way since those days, you ought to be proud!

I also remember taking my share of criticism in the pages of this newspaper, but it was always fair and never personal.

Mostly, I remember when you first unveiled your vision for standards in journalism, how you were laughed at and mocked by the political insiders and the newspaper industry.

Honoring our veterans and recognizing their incredible sacrifices is one of the most important things we do at The Valley Patriot. Tonight we honor two veterans who not only served their country overseas but continued to serve their country when they came home. Whether it is public service, volunteering in the community or helping other veterans here at home, tonight's recipients are men who embody what service and sacrifice are all about.

***OFFICER TOM DUGGAN SR. LAW ENFORCEMENT AWARD**

On March 16, 1990, Lawrence Police Officer Tom Duggan Sr. lost his life in the line of duty. He was a man who loved being a police officer and lived his life responding to cries for help in the community. While he worked on many major cases and high profile crimes, he always said that it was the day to day work he did on and off duty to help people in small ways that really made his job worth doing. This year we honor his service and sacrifice with "The Valley Patriot, Officer Tom Duggan Sr., Law Enforcement Award." The award is given to members of public safety (police or fire) and/or one civilian who honors the service and personal sacrifice police officers and firefighters make every day. Officer Duggan believed that those little extra things we do in life to help others ... make the biggest differences in people's lives at the end of the day and makes the world around us a better place.

Auditor Bump Exposes Waste Fraud & Abuse, Forces Government Transparency

Massachusetts State Auditor Suzanne Bump conducted an audit of the state's EBT (Electronic Benefits Program or more commonly called "welfare"). Given that welfare is a sacred cow issue for Democrats in Massachusetts, Bump managed to anger Governor Deval Patrick and Massachusetts Democrat Party leaders (as well as the Boston Globe) because

1st Amendment Award Winner (2014)

one of their own, a Democrat, was blowing the whistle on, among other things, 1,164 dead people receiving welfare benefits under Deval Patrick, and 30,000 blank EBT cards (welfare cash cards) completely unaccounted for. She also was sounding the alarm bells on the MBTA two years before this year's revelations. When Governor Patrick tried to deny this waste, fraud and abuse, she conducted more audits and proved her case to the voters.

Thank you Auditor Bump for putting the taxpayers above politics and party.

Fund Raiser to Save the Puppies

Kate Whitney

VALLEY PATRIOT PUPPYGIRL

It's that time again and One Tail at a Time Dog Rescue is holding its third annual comedy fundraiser to raise money for our organization. The show is slated for Saturday April 18th, at Mixx 360 in Malden where it was held last year.

We are hoping to see all our Valley Patriot readers and One Tail past adopters and volunteers there to support us!

If you cannot attend, you can always help us sell tickets or participate by making up a basket for the raffle (alcohol themed baskets were a big hit last year, as well as gift certificates to local restaurants). We will be creating a flyer for the event that we will send out soon and publish in The Valley Patriot's April edition so anyone interested can pass out and/or post to your social media accounts.

As you know we are a 100% volunteer based organization and rely on donations and fund-raising in the community for our sustainability. Please reach out to family, friends, neighbors

and let's make April 18th not only a night filled with fun and laughter, but a night that will replenish our depleted funds so we can save more puppies!

If you would like to make up a basket to donate for the raffle please email me at: erika.smith@cybergrants.com or Christen at: reflectionsbychristen@hotmail.com

School Committee Bills Taxpayers for Fine Dining

Tom Duggan

For the past three years members of the Lawrence School Committee have been billing the taxpayers for plush dining at the city's most expensive restaurant: One Mill Street.

Then School Committeemen Noah Shannon, Pedro Ace, Suzanne Picciello, Nancy Kennedy and current member George Gonzalez all dined with Superintendent Wilfredo Laboy and his staff after school board meetings running up tabs worth over \$1,200.00.

Documents obtained by The Valley Patriot show that state taxpayers treated members of the Lawrence School Committee to more than a dozen expensive meals between 2001-2003.

Meal reimbursement receipts show School board members helped themselves to veal, sirloin steak, calamari, pork chops, duck, steak salad, garlic shrimp, mussels, scallops, spinach chicken, assorted appetizers and other various menu items. The meals were then billed to the Lawrence Public Schools which receives 100% of it's funding from the state and federal government.

While Superintendent Laboy's \$156,000 a year contract does not include a meal allowance, he says that some of his expenses are reimbursable. "I don't have a meal allowance but it is accepted

"...the Ethics Commission should be informed about this. They should pay back every penny with interest and issue a written apology to the school children and the citizens of Lawrence."

practice for me to be reimbursed for certain expenses as long as they are reasonable and sensible," he said.

School Committee members, on the other hand, do not have that luxury. According to the School Committee policy (B-18) "School Committee members shall receive no compensation for their services. However, upon submitting vouchers and supporting bills for expenses incurred in carrying out specific services previously authorized by the Committee, Committee members may be reimbursed from district funds." This never took place regarding meal receipts from One Mill Street.

Instead, some School Committee members took advantage of their position as

Smith v. Smedile for N. A. Selectman

Valley Patriot Staff

While North Andover School Committeeman Al Perry has no challenger for his seat, Selectman Rosemary Smedile is facing a familiar face to the voters in her bid for reelection.

Joe Edward Smith, an engineer by trade and a union Democrat, says his campaign is about open government and representing issues important to the town voters. "There is a big difference between Ms. Smedile and myself," he said. "Before the voters decide who will represent them on March 30th it is important that they know what those difference are."

"I opposed the trash transfer station and Ms. Smedile supported it." Smith also said Smedile supported leasing half the airport land adding, "the people of North Andover clearly wanted it sold off. It is important to represent the people of the town and act on their behalf." Smith says he opposes \$95,000 in raises for nonunion employees "especially at a time when we are talking about laying off fire

Sullivan: "Absent All Auto Fraud, Insurance Rates Won't Go Down!"

Tom Duggan

"...if you call the Board of Insurance today and ask them... 'if the auto fraud goes away completely (in Lawrence), at what point will the rates go down?' They will tell you what they told me last week, they won't."

...Lawrence Mayor,
Michael J. Sullivan

Lawrence - Mayor Michael Sullivan says that even if police investigations are capable of eliminating all auto insurance fraud in the City of Lawrence, "auto insurance rates still won't go down."

Sullivan, touting the hard work of Police Chief John Romero and the Lawrence Police Department, said that the investigations into auto insurance fraud in Lawrence were producing startling results but added, "If you call the Board of Insurance today and ask, just for example, 'if the auto fraud goes away completely (in Lawrence) at what point will the rates go down?' What they will tell you is what they told me last week, they won't."

For years, State Legislators, previous mayors and police chiefs have been telling Lawrence residents that the high auto insurance rates in the city (the third highest in the state) are the result of insurance fraud. Sullivan says that simply isn't the case.

"What we are finding out is that, what will cause rates to go down (in Lawrence) is for the rest of the cities and towns in the state to tackle fraud in their communities as well. It would have to be a statewide effort. I think the insurance companies, years ago should have been doing the investigative work that the Lawrence police are doing this year."
